HARDWARE

Do not forget that the quality of steel used in the Diamond Edge Tools and the workmanship are superior to that found in any other make. We are sure that if you will only give them a trial you will be a booster for Diamond Edge Tools. Every one is guaranteed. This the time of year that the house or barn needs a good working over. We carry a good line of Sherwin & Williams paints and varnishes. Give us a trial. Good rains have come and prospects for a crop is good so why not come in and let us sell you a Studebaker wagon, it has been the standard for years.

We have a good line of shelf and heavy hardware.

When you give us a chance that is all we need.

There is a Difference
Between Wagons

A cheap wagon looks about as good as a Studebaker when it is new,—but it won't compare with a Studebaker after several years wear;

And what is more,

The chances are that what you have paid on it for repairs, added to the original cost, would be more than we would ask for a new

Studebaker
WAGON

The cheap wagon is "played out" in a few years,

But,

The Studebaker will be practically as good as new.

The prudent farmer buys the wagon that will do his work well and wear well.

He buys a Studebaker.

We Sell and Guarantee the
Studebaker Wagon
